

**Product Name:** Lemon Bleach Boost

**Type:** **Bleach Enhancer**

## **Description**

Lemon Bleach Boost is a non-hazardous bleach additive designed to improve cleaning performance while masking harsh bleach odors with a strong lemon scent. It produces a thick, clinging foam that increases dwell time and cleaning efficiency on vertical and horizontal surfaces.

### **Key Features**

- Strong lemon scent
- Odor masking
- Foam generating for extended dwell time
- Bleach stable
- Biodegradable

### **Directions for Use**

- Use 1–8 oz per gallon of bleach/water mix
- Start at 1 oz/gal and adjust for desired foam
- Do not over-thicken
- Use within one week after mixing

### **Safety & Handling**

- Use PPE (gloves, eye protection)
- Do not freeze
- Do not store above 120°F

### **Applications**

- Roof cleaning
- House washing
- General exterior cleaning
- Can be used with or without bleach

### **Transport**

Not regulated by DOT

**The Greener Cleaner Company**
