De-Solv is a high power, alkaline heavy duty degreaser. Removes grease, grime, dirt, oily stains, and more from surfaces. With the power of sodium hydroxide, it can be used on a variety of surfaces such as; vehicles, floors, walls, machinery, oven hoods, exterior surfaces and more. **De-Solv** can also be used as an effective laundry cleaner.

Floors & Walls: Use 1-2 ounces per gallon of water for light to medium soils. Apply to surfaces with a mop, sponge, or rag. Agitate and rinse with clean water.

Vehicle Washing: Mix with equal parts water to use as a white-wall cleaner and general degreaser. Spray onto surface and agitate with a brush. Rinse with clear water. Do NOT allow product to dry on surfaces.

General Cleaning: Mix with equal parts water. Can be put into a spray bottle. Apply to surface and wipe clean. Does not require rinsing.

Laundry Spotting: apply undiluted to stain and allow to soak. Wash as usual. Test in an inconspicuous area for color fastness.

Storage: Store in a cool, dry place. Keep container closed when not in use.

WARRANTY NOTICE: Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond the purchase price, because seller cannot control users handling and use, or effect of use.
